# Pretty with plants

Put your beauty regimen on a vegan diet

USA TODAY NETWORK

A vegan lifestyle focuses on more than just food. It also means avoiding animal products – even beeswax or honey. Here are a few to try.

■ Blu Skin Care's USDA certified organic products include a whipped coconut-green tea moisturizer. **\$55** at [bluskincare.info](http://bluskincare.info).

■ The Soapwalla brand is 100 percent vegan and cruelty free. Their phosphorescence facial mask soothes, clarifies and hydrates. **\$68** at [soapwallakitchen.com](http://soapwallakitchen.com).

■ INIKA's organic, vegan and cruelty-free line includes lipsticks in fashionable colors. **\$29** at [inikaorganic.com/us](http://inikaorganic.com/us).

■ Planted in Beauty's detox exfoliant contains organic plant ingredients to remove dead cells without irritating your skin. **\$75** at [wellwithinbeauty.com](http://wellwithinbeauty.com).

■ Alighten Natural Skin Care vegan-friendly gentle renewing facial cleanser contains essential rose water and neroli oils. **\$52** at [alightenskin.com](http://alightenskin.com).

■ Profits from Golden Door's bamboo face scrub go toward efforts to end child abuse. **\$48** at [shop.goldendoor.com](http://shop.goldendoor.com).

■ Sheer Lust is a vegan and cruelty-free nail lacquer line in today's hottest hues. **\$18** per bottle at [sheerlust.com](http://sheerlust.com).
